

Job Vacancy

Specialist Speech and Language Therapist

P/T 13hrs pw 40/52 weeks pa (must include Wednesdays)

Based in Leatherhead, Surrey KT22 0BN with some flexible working from home considered.

Experienced Band 6/7

We are expanding our specialist aphasia support services at Dyscover and are looking for a Speech and Language Therapist to join our team with experience of managing aphasia.

Dyscover is a specialist aphasia charity, which supports over 100 adults with acquired aphasia and their families on a weekly basis. Providing structured weekly supported conversation groups on a long-term basis.

- Part time/sessional opportunities to lead both face-to-face and online groups across the Dyscover terms. 13hours per week, 40/52 weeks of the year. Plus, expectation to attend team, planning and supervision meetings.
- Suitable for therapists who enjoy a functional communication approach, with a commitment to supporting people with their psychosocial adjustment to living with aphasia (Life Participation Approach to Aphasia).
- Experience of working with groups preferred (both face-to-face and online).
- An interest in delivering training workshops, family support and working with technology would be an advantage.
- Free onsite car parking at Leatherhead.
- Hourly rate upon request, based on experience and formed around NHS band levels.

To make an informal enquiry, request an application pack, arrange a visit or find out more, please contact us: 01737 819419/ info@dyscover.org.uk

Closing date for applications is **9am, 25th March 2024**. Interviews will be held **4th April 2024**.

Early applications advisable - please note, should we receive sufficient suitable applicants we may bring our closing date forward.
